

# SCARBOROUGH BULLETIN

*What is happening at Scarborough Baptist Church?*

## THIS WEEK

### WORKING OUT OUR SALVATION

The dos and donts of Phase 3 of the COVID 19 plan in our church

Thank you for joining us this week. We have some people joining the service today on Zoom and a few others who receive a recording of the service. We pray that the Lord will bless us all as we draw into his presence. Last week there were some technical issues with the sound during the sermon. Andre has re-recorded the sermon and it is available on the web for those who would like to catch up. Please pray that these issues will be sorted out this week.

In this bulletin, we have set out the rules and regulations we are following to make it as safe as possible to physically attend church. Please read them carefully. Let us show our love and care for each another through our compliance.

Working out our salvation: Paul continues on this theme in Philippians chapter 3. Last week we saw that salvation is the starting point for the way we live our lives. This week Matt will be focusing on how we are motivated to pursue God's goal for our lives.

## EVENTS THIS WEEK

**Monday morning 9.30am** Bible Study on Zoom or at the church

**Thursday evening Bible study** on Zoom at 7pm. The link for this is on the **events calendar** on the website.

**Brighton Kids:** as usual this week.

We are exploring when and how to start our other activities.

**Offering:** Please continue using EFT as it needs to be our main means of doing our offering at present. Our bank details are: Scarborough Baptist Church - BSB 306-054 Account number 4186613

**Prayer:** Please pray for **Krina Moore** who still has a lot of pain and also has difficulties with her heart. Please continue to uphold **Iris Sales** before the Lord and ask that the doctors will be able to treat her heart condition.

There are many reasons for enjoying being back at church but we urge you to keep the following in mind:

\* If you are in any way sick, even the slightest sniffle, cough or headache, please do not come in to the church building; just let us know and we will make sure that you get access to our service some other way.

*This is the same for going to any public place, of course, but we urge you to consider your fellow church members, many of whom are vulnerable and in need of protection.*

These are the rules set by both the government and endorsed by the Baptist Union of WA which we ask that you adhere to:

*As of 6 June, with Phase 3 in place churches must:*

- a. Maintain a strict minimum of 2 square metres per person.
- b. Maintain hygiene and frequent cleaning.
- c. Maintain attendance records of patrons for contact tracing.
- d. Carefully manage waiting areas to ensure physical distancing.
- e. Ensure kitchen volunteers have completed the AHA Hospitality & Tourism COVID-19 Hygiene Course.
- f. Avoid people touching food – i.e., No communal trays, biscuit packets or plates that people pick from.
- g. Ensure that patrons are seated while eating or drinking.

It is important to note that people in Aged Care Facilities are limited to two visitors per day, and, in effect, these visitors are usually close family members.

*Exclusions from the 2 square metre rule are school aged children and also immediate family members.* Adults engaging with our kids and young people should still maintain the 2 square metre rule.

Singing: There has been some discussion concerning the dangers of spreading illness through singing loudly and at a high pitch. We have chosen to continue singing in church as normal. Maintaining the 2 square meter rule is important for this, and an awareness to not sing "at" other people is also helpful.

We also ask that you are mindful of the Zoom attendees who are on the computer at the sound desk for the service.

**Where to find hand sanitiser?**

- at the entrances to the church and also on the serving counter in the kitchen. Soap and water are available in the restrooms and at the hand basin in the kitchen.
